The meal will be served at 1:30 p.m. to hikers & non-hikers alike. **Reservations are required** and must be made by 8:00 PM. Thursday Jan. 10, and once made, must be paid. FRIDAY, JANUARY 25-COVERED DISH DINNER AND SLIDE SHOW: York Township Recreation Building, 25 Oak St, York, PA 17402 (white building in park near the playground) from 6:30 PM to 8:30 PM. **Bring a dish to share.** Having your own place setting is appreciated, but paper goods will be available. Our special speaker **Ron Warner** is back again by popular demand. He has this to say about his talk: Nowhere else in the world has so much of the earth exposed so beautifully as southern Utah and northern Arizona. There are more beautiful places to hike there than can be visited in one lifetime. In the ten years that I lived and worked at Bryce Canyon National Park, the Colorado Plateau was my hiking playground. I have more than 200,000 photographs of the area. It has been three years since I gave a talk to your group. The show will be similar to what I did before, a quick overview of hiking the Colorado Plateau, then a focus on one or two particular hikes, this time Capitol Reef National Park, rather than Canyonlands. My program is entitled: **The Greatest Earth on Show.**

SUNDAY, JANUARY 27 - SHORT HIKE (4.5 MILES): Let's go just south of the Mason Dixon Line to near Parkton, MD. There we will hike on the Northern Central Railroad Trail called the Torrey C. Brown Rail Trail. We will walk along beautiful icy Fourth Mine Branch of Little Falls Creek. I am hoping for a light covering of snow to accentuate the icy decorations.

Meeting Location: York County School of Technology
