## November 2020

**Chairperson: Tom Morley 717 764 6822 [tommorley@comcast.net](mailto:tommorley@comcast.net)**

**Inclement Weather:** Please contact the hike leader or check our Facebook page for cancellation information.

**SUNDAY NOVEMBER 1 – HIKE AND BIKE:** This will be a day of biking and hiking along the historic 6 to 10 Trail. It may be getting chilly but the steep inclines of the bike portion of this trail should warm us up pretty quickly (600 feet in four miles). We'll start at the trailhead near Foot of Ten, PA and bike up to the Muleshoe, where we will lock up the bikes. The trail is "hiking only" from here, so we will continue on foot to the Allegheny Portage Railroad Visitor Center and back (about 6 miles). On the way back it looks like there are more hiking options or you can just bike back to the start. Depending on how much hiking you do, mileage for the day, both biking and hiking should be between 15-20 miles.

**Meeting Location:** 6 To 10 Trailhead, 1300-12 -48, Duncansville, PA 16635

### **SATURDAY NOVEMBER 7 – TRAIL MAINTENANCE WORK TRIP**

Special work trip on the AT to take care of an overgrown area on the South end of the trail. It will involve lopping out a very invasive thorny vine. We will cut it back to the ground and throw the cuttings over the side of the mountain. You will need sturdy boots, clothes and gloves. Let me know if you will attend so I can have enough equipment. If you have loppers, please bring them along. I have three to use. We will meet at 9:00 AM in the parking lot of Rt. 147 next to the river (across from Duncannon). Call for directions. **Contact:** Tom Morley, 717 764 6822 or [tommorley@comcast.net](mailto:tommorley@comcast.net)

**SUNDAY, NOVEMBER 8 - LONG HIKE (10-12 MILES):** We'll take a meander around some of the trails in Tuscarora State Forest, starting at the Frank E. Masland Natural Area and making a loop that will include the Tuscarora Trail, other side trails, fire roads, and some gravel forest roads. Some trails may be rugged or have minimal maintenance. We will meet outside the forest and drive to the parking area because cell service will be limited to nonexistent at the trailhead. Bring lunch, snack, water and good hiking shoes. If you want to meet at location #2 or the trailhead please contact the hike leader for details.
